

Dear Ladies and Gentlemen, Colleagues!

Since 2003 «Kazakhstan Su Arnasy» Water Supply and Sewerage Utilities Association of the Republic of Kazakhstan jointly with republic's state agencies once in two years hold a International exhibition and conference **SU ARNASY «Water Consumption: reality, problems and prospects»**. Modern technologies of water treatment and wastewater treatment, new materials and equipment for water supply and sewerage are introduced at the exhibition. At the conference questions concerning reliable water supply of cities and settlements of the Republic, qualitative water supply and consumer water sewerage are discussed.

In 2003 exhibition and conference was held in Shymkent, in 2005 – in Almaty, since 2007 – in Astana.

Date and location: **May 15-17, 2013, Astana, exhibition center «Korme» (Left bank, new administrative center of city).**

Organizers of exhibition and conference are «Kazakhstan Su Arnasy» Association, Agency for Construction, Housing and Utilities of the Republic of Kazakhstan, Water Resources Committee of Ministry of Agriculture of the Republic of Kazakhstan, Kazakhstan's Centre of Modernization and Development of Housing-Public Facilities JSC, «Astana Su Arnasy» SME, «Astana-Expo» exhibition company. The activities are supported by the Government, Ministry of Environment Protection and Ministry of Health, Astana city Akimat.
